

EAST AYSHIRE COUNCIL : ROAD REGISTER

At the time of publishing we believe this register to be an accurate and comprehensive record of the Roads Authority's list of roads in terms of Section 1 of the Roads (Scotland) Act 1984, but this is not guaranteed. Users should be aware that the records are constantly changing due to new road adoptions, changes in maintenance responsibility, and changes to road layouts.

Although the register is continually being reviewed and updated to improve the quality and accuracy of the information provided, if you consider any of the information inaccurate please contact us.

A 'Public Road' is one maintained by the relevant Roads Authority.

A 'Trunk Road' is one maintained by an agent of the Scottish Government.

A 'Private Road' is one maintained by persons or bodies other than the local Roads Authority. The designation does not necessarily imply that it is closed to the general public.
