

East Ayrshire Council
(Lawson Street, New Mill Road and Route A735 Welbeck Street/Queen's Drive,
Kilmarnock) (Temporary Road Closures) Order 2021

On 23/11/21 the Council, in exercise of the powers conferred on it by Section 14(1) of the Road Traffic Regulation Act 1984, as amended, and of all other enabling powers, made the above-named Order, which will make it unlawful for any person to drive or cause or permit to be driven any vehicle on any length of roads stated below, by reason of facilitating Victoria Bridge works to be executed on or near the roads.

The Order shall come into force at 06:00 hrs on 06/01/22 until 18:00 hrs on 13/05/22, or until the works are completed whichever is earlier and the Order will be implemented only when appropriate signs are displayed.

It is anticipated at this time that the works will be undertaken in phases and advance signing will be erected on site to inform the traveling public of the times and dates of each road closure. Every effort will be made to keep the closures to a minimum but dates may need to change as works progress because the works are weather dependent.
